B.A./B.Sc. (Hons.) 5th Semester (2123).

SOCIOLOGY

Paper: Methods and Techniques of Social Research

Time Allowed: Three Hours] [Maximum Marks: 90

Note: — Attempt FIVE questions in all, including Question No.I, which is compulsory and selecting ONE question from each unit.

- I. Attempt any **nine** of the following:
 - (a) Simple Random Sampling
 - (b) Scientific method
 - (c) Non-participant Observation
 - (d) Mean
 - (e) Questionnaire
 - (f) Interview schedule
 - (g) Multi-stage sampling
 - (h) Sampling Frame
 - (i) Research Hypothesis
 - (j) Central Tendency.

 $9 \times 2 = 18$

UNIT-I

V. What do you mean by Probability sampling? Explain its disadvantages. UNIT-III VI. Describe the difference between Participant and Non-participan Observation. 18 VII. Write a detailed note on the interview and its types. 18 UNIT-IV VIII. Explain the measures of Central Tendency: Mean, Mode and Median. 18 IX. How to use measurement in social research? Explain with relevantages.			
UNIT-II IV. Explain the advantages and disadvantages of Non-Probability Sampling. V. What do you mean by Probability sampling? Explain its disadvantages. UNIT-III VI. Describe the difference between Participant and Non-participant Observation. VII. Write a detailed note on the interview and its types. UNIT-IV VIII. Explain the measures of Central Tendency: Mean, Mode and Median. IX. How to use measurement in social research? Explain with relevant	Π.		
IV. Explain the advantages and disadvantages of Non-Probability Sampling. 18 V. What do you mean by Probability sampling? Explain its disadvantages. 18 UNIT-III VI. Describe the difference between Participant and Non-participant Observation. 18 UNIT-IV VIII. Explain the measures of Central Tendency: Mean, Mode and Median. 18 IX. How to use measurement in social research? Explain with relevant	III.	Write a detailed note on the stages of social research.	18
V. What do you mean by Probability sampling? Explain its disadvantages. UNIT-III VI. Describe the difference between Participant and Non-participan Observation. 18 VII.
