Our Inspiration and Guiding Spirits

Goswami Ganesh Dutta Ji Maharaj

Dr. Pandit Mohan Lal Ji

Shri Upkar K. Sharma

IN HONOUR & FOND MEMORY: In a heartwarming tribute, the College and GGSDS College Governing Body commemorated its former President, Shri Upkar K. Sharma, through a stimulating seminar on “Building Bridges: The Role of Interfaith Dialogue in Creating Harmony”. The chief dignitaries included Padma Shri Prof. (Dr.) Harmohinder Singh Bedi, Chancellor, Central University of Himachal Pradesh and Dr. Kuldeep Chand Agnihotri, former Vice Chancellor of Central University of Himachal Pradesh, besides eminent speakers and acclaimed scholars from the region. The former President, a beacon of inclusivity, was fondly remembered through an intellectual discourse on interfaith, the notes of which not just echoed with reverence for, but offered a true testament to, a leader who inspired bridges, not walls.

GGDSD COLLEGE: A SAGA OF EXCELLENCE

The College continues to epitomise excellence and uphold Sanatanist ideals, with a deeply entrenched and solid bedrock of upright ethics. Affiliated to Panjab University, Chandigarh, Goswami Ganesh Dutta Sanatan Dharma College has touched new benchmarks in both academics and extra-curricular activities over the past 52 years of its existence. With a motto 'Firm in Faith and Broad in Mind', the College was established in the revered memory of Goswami Ganesh Dutta Ji, who envisioned Chandigarh as a focal point of education and culture, besides as a potential hub for Sanatanist activities. His dream materialised under the dynamic leadership of Pt. Mohan Lal Ji, former Education, Home and Finance Minister, Punjab, and other prominent educationists, lawyers and public men. Pandit Ji was joined in his untiring efforts by the luminary, Prof. Roshan Lal Verma Ji, the founder principal of the College, and his wife Ms. Kaushaliya Devi Verma Ji, who donated their entire lives' savings in setting up this institution. These efforts by the founding team bore fruit and since then, under the guidance of former President Shri Upkar K. Sharma and present President Ms. Vaishali Sharma, the College has been imparting holistic education to the future torchbearers of the country. Human sensitivity, intellectual vigour, substantial aspirations and mantras of life remain the hallmarks of this much-sought-after College. Also, the principals of the College have striven towards continuing this saga of excellence that is being passed down as heritage from its founding stalwarts.

UPKAR SHARMA BLOCK

Dear Students,

As we welcome a new academic year, my heart swells with hope, pride, and a deep sense of purpose. GGSDS College has long stood as a beacon of knowledge, growth, and transformation, and I am thrilled to greet our new students, our returning scholars, and our devoted faculty and staff as we continue this extraordinary journey together.

We find ourselves in an era defined by rapid innovation and profound change. The world today demands not only expertise but also resilience, empathy, and an unwavering spirit of inquiry. At GGSDS College, we are committed to nurturing these very qualities — preparing our students to meet the future not with fear, but with confidence and creativity.

Our mission extends beyond academic excellence. We seek to cultivate whole individuals — thinkers, leaders, artists, and change-makers — by fostering a learning environment that is dynamic, inclusive, and attuned to the needs of the times. Whether through interdisciplinary programmes, hands-on learning opportunities, or initiatives that support mental well-being and social responsibility, we aim to empower our students to thrive both personally and professionally.

The world of education is evolving, driven by technological advances, global interconnectedness, and the call for lifelong learning. In response, GGSDS College continues to innovate — offering courses that bridge theory and practice, encouraging research that challenges the status quo, and forging partnerships that expand our students' horizons.

As we embark on this new session, let us reaffirm our shared commitment to excellence, compassion, and courage. Let us inspire each other to dream bigger, reach higher, and make meaningful contributions to our communities and our world.

I extend my warmest wishes to every member of the GGSDS College community. May this academic year be one of discovery, growth, and remarkable achievements.

Ms. Vaishali Sharma
President, GGSDS College Society

Dear Students and Families,

I warmly welcome you to GGSD College, Sector 32, Chandigarh, as you begin an exciting new chapter in your academic journey. At GGSD College, education is not merely the pursuit of degrees but a lifelong journey of discovering one's potential, deepening one's values, and serving a greater purpose with resilience and compassion.

In an era of dynamic change and new possibilities, we remain steadfast in our commitment to nurturing individuals who are intellectually vibrant, socially responsible, and deeply rooted in ethical values. Guided by the visionary framework of the National Education Policy (NEP), our academic practices are designed to foster critical inquiry, creative exploration, and lifelong learning.

In line with our vision of inclusive education, we are proud to announce that GGSD College has been selected under the PM Vidya Lakshmi Scheme — a distinction awarded to only 860 institutions nationwide out of over 51,000, with GGSD College standing as the only privately aided institution in the Tricity to receive this honour. This achievement underscores our dedication to making quality higher education accessible and ensuring that financial constraints do not hinder academic dreams.

Our alumni are a living proof of the College's enduring vision. They include Chief Justices, senior bureaucrats, distinguished industrialists, celebrated journalists, and international sportspersons — each reflecting the spirit of excellence, leadership, and service that GGSD College stands for.

At the heart of our efforts lies an unwavering focus on holistic development — nurturing not just intellectual growth but also emotional well-being and moral character. Here, you will find a compassionate and vibrant environment that supports you through every step of your academic and personal journey.

As you embark on this transformative chapter, I invite you to join our thriving community — a place where dreams take flight, character is forged, and futures are shaped with courage and compassion.

Welcome to GGSD College — where excellence, integrity, and inclusiveness create pathways to a brighter tomorrow.

Dr. Ajay Sharma
Principal

For details on rules for withdrawal of seat, refer to Student Handbook.#

HOSTEL FACILITY

The College has excellent hostel facilities for both boys and girls and can accommodate around 275 boys and 300 girls. The boys' and girls' hostels are separately located on the College campus. The rooms are spacious and well furnished. Each hostel has its own air-conditioned mess-cum-dining hall, reading hall and office area. Strict discipline is followed in the hostels. Admission to the hostel is strictly on merit basis.

For more details please refer to the Hostel Prospectus.

RESEARCH CENTRES AWARDED TO COLLEGE

In recognition of the research culture at the College, Panjab University has awarded us five research centres in Biotechnology, Chemistry, Physics, Commerce and Economics. These research centres have been proactive in the exchange of ideas for the promotion of research through exposure to contemporary topics and events by regularly organising various expert talks, national seminars and workshops for the students.

GENERAL RULES AND REGULATIONS

COLLEGE CODE OF CONDUCT

Students are expected to conduct themselves responsibly and to exhibit good behaviour that maintains the decorum of the College. The academic environment must never be disturbed and the students must abide by the rules and regulations of the College.#

RULES FOR AVAILING LEAVE

Students can apply for leave online by following the prescribed rules.#

IDENTITY-CUM-LIBRARY SMART CARD

Each student is issued an Identity-cum-Library Smart Card bearing his photograph, name and roll number. It is mandatory to carry the Identity Cards while on the campus.

GIRL STUDENTS

The College pays special attention to the general welfare and security of girl students. There are separate facilities for girl students.#

DIGITAL CAMPUS

The College has signed an MoU with Tata Consultancy Services, which enables complete automation of all administrative and academic activities. There are two product solutions described within this contract:

- a) Campus Management System (CMS) enables the College to carry out various administrative activities. Every student is registered online which allows them to access his/her timetable, attendance, leave, fee, grades, fines and documentation regarding library and hostel facility through this ERP solution.
- b) Learning Exchange Module helps faculty and students to share their e-content, assignments, PPT presentations, course schedule and other examination details.

INFRASTRUCTURE

Spread over sprawling 16.5 acres, the college boasts of a beautifully landscaped campus with spacious classrooms, well-equipped labs and modern facilities that promote an invigorating and wholesome academic environment.

The college has generators on total-automation mode to meet the growing electricity demand, an underground water reservoir (UGR) with a huge capacity of 3 lakh litres, an on-campus ATM of Central Bank of India and a fully equipped ambulance for emergencies. The college also has a 500 KW Solar Power Plant system, which will offset the carbon footprint by 730 tonnes/year of CO₂. The Mono Perc Solar Panel with 930 panels, each with a power of 540 Wp, can provide 2200 to 2250 units of electricity per day as weather conditions are available.

The whole campus is under Surveillance Camera System with 121 IP-based high-definition CCTV cameras.

The College has a centrally air-conditioned Administrative Block built under Building Management Automation System (BMAS). Besides the administrative section, the block also houses the Principal's office, Registrar's office, Administrative office, Conference Hall, Management offices, Kaushalya Devi Verma Charitable Institute, Guest Rooms, and a Mini Auditorium. The basement section, besides having offices for the NSS, Placement, Publication, has B.Voc KAUSHAL Kendra, Statistical Cell, UGC Grants Cell, and the office of the Company Secretary and a Conference Room and record rooms.

The College has spacious classrooms, including smart rooms equipped with modern technologies, lecture theatres, seminar halls, and labs. The College also has a dark room, a succulent terrace garden, a herbal garden, and aquariums.

The ultra-modern Main Auditorium of the College is fully automated, centrally air-conditioned and touch-screen operated. It has a seating capacity of upto 1000 persons. The College also houses state of the art Mini Auditorium.

Pt. Mohan Lal (Commerce) Block, Prof. Roshan Lal Verma (Arts) Block, Science Block, a separate P.G. Block, Faculty Interaction Room, Girls' Common Room, Sports Ground, Boys' Hostel, Girls' Hostel, Recreation Hall, Gymnasium and Principal's lodge form an integral part of the well-planned campus. A new teaching Block, Block-C has been constructed, comprising 10 new classrooms, 12 air-conditioned faculty cabins, 8 washrooms for girls and an elevator for differently-abled persons/ persons with disability, besides having ramps to all blocks.

The Television and Radio Studio-cum-Multimedia Lab, Central Instrumentation Facility Lab, Research Lab for Biotechnology and Fashion Designing Lab provide students with hands-on experience.

The Department of Computer Science and Applications has smart classrooms, a server room, and eight dedicated, well-equipped laboratories including a hardware lab for B.Voc. Hardware & Networking course. The College is intra-connected with a gigabit network through a fiber-optic backbone cable allowing data rates in Gbps, which links 8 buildings of the campus and hostels to the main server. Wi-Fi internet access is available on the campus and in both the hostels. The Department of Computer Science and Applications owns servers/workstations with backup facilities and various licensed softwares.

COLLEGE LIBRARY

The Library Resource Centre-cum-IT Block is enabled with the state-of-the-art RFID (Radio Frequency Identification), integrated with ERP software named TCSION and KSMart RFID System from LIBSYS. The Library consists of more than 74,518 books, 3,557 CDs/DVDs, 102 journals and magazines and 22 newspapers. A digital collection of the library includes 2,54,855 e-books and e-journals (EBSCO eBook academic collection, National Digital Library of India, McGraw Hill and Sage). The subscription to CMIE Prowess IQ database provides access to detailed financial and operational information on over 105,650 companies.

Centralised Research Facility-cum-Digital Library has 15 i5 computers for students and 10 i7 computers for the staff to access e-resources, e-contents, CMIE ProwessIQ Database. JAWS, a screen reading software, has been installed on two computers for persons with visual disabilities. The library subscribes to DrillBit Plagiarism Detection Software and QuillBot's AI-powered paraphrasing tool. Knimbus eLibrary (Off-campus access to e-resources) provides access to e-resources — anytime, anywhere. To augment the visibility and impact of the college and its faculty, the College library has started integrating faculty members' profiles into the IRINS portal and Vidwan databases.

Information Services like OPAC (Online Public Access Catalogue), Reprographic Service, ILL (Inter Library Loan), Internet Surfing, Current Content Alert, SMS Alert Services, Previous Year Question Papers Alert, Employment News and Books of the Month are provided to the users of the library.

A library blog (<https://libraryggdsd.blogspot.com>) gives the latest updates regarding library collections and activities. Sh. Upkar Krishan Sharma Digital Repository is home to a wide range of materials, including Pt. Mohan Lal's Handwritten Diaries, the college's annual reports, prospectus, e-newsletters, newspaper clippings, previous years' Panjab University question papers and other electronic content.

National Digital Library of India Club (NDLI Club) of GGDS College, Chandigarh, propagates NDLI resources amongst the students and faculty members of the college through workshops/sensitization programmes. This has been established under the aegis of Ministry of Education (MOE), Government of India. Readers Club of the library holds different activities throughout the year to promote the habit of quality reading among students.

EXTENSION ACTIVITIES

At GGSDS, we believe that we must contribute to the community and involve students in projects that help inculcate this spirit in them. In keeping with this philosophy, the College regularly organises diverse activities like community development, health and hygiene awareness programmes, adult education and literacy programmes, AIDS awareness programmes, social work, medical camps, environment awareness and blood donation camps. #

NATIONAL CADETS CORPS (NCC)

The NCC unit of the college comprising a Company of 160 cadets has 60 per cent reservation for boys and 40 per cent for girls. During each session, an NCC cadet has to attend 35 parades and 110 periods for the award of the certificate. The NCC certificate carries weightage at the time of admission to higher classes and also gives the chance to join the Armed Forces directly through interview without appearing for any exam. #

COUNSELLING CELL, SCHOLARSHIPS AND OTHER WELFARE SCHEMES

The College provides a comprehensive range of support services, including counselling facilities, medical assistance, accidental coverage, student welfare programmes, promotion of healthy habits, free educational opportunities, scholarships, and a student progression programme. #

NATIONAL SERVICE SCHEME (NSS)

The College has two National Service Scheme (NSS) units, one for men and one for women, each with 100 volunteers. The primary objective of NSS is to inculcate a sense of social responsibility among students through active engagement in community service and to foster volunteer involvement in meaningful extension initiatives within adopted village(s). Each volunteer is required to dedicate a minimum of 120 hours of service during a single session to fulfil the requirements of the NSS programme. #

Equal Opportunity Cell

The Equal Opportunity Cell works to assist students with any form of learning or social disadvantage and helps them to merge with the mainstream. It is the duty of the Cell to oversee the effective implementation of policies and programmes for disadvantaged groups (SC/ST, OBC, Minorities, Jain, Physically Challenged) and to provide guidance and counselling with respect to academic, financial, social and other matters. The cell also monitors the effective implementation of Right to Persons with Disability Act, 2016.[#]

Student Grievance Redressal Cell

The Grievance Redressal Cell looks into the complaints lodged by students and addresses them accordingly. The committee offers immediate and effective redressal to the grievances received and works towards creating a productive and holistic environment in the college.[#]

ALUMNI

The College from time to time acknowledges and honours the achievements of its Alumni, showcasing the impact of the institution's education and its constant emphasis on excellence. Many of our Alumni have accomplished prominent positions in various prestigious organizations. The College has a strong connect with its Alumni through its Alumni Association and regular mentorship events and collaborative programmes are organised from time to time.

Hon'ble Chief Justice Shri Arun Palli, Jammu & Kashmir High Court, being felicitated at the Alumni Meet of the College.

INSTITUTION INNOVATION COUNCIL (IIC)

Established in 2018 under the visionary initiative of the Ministry of Human Resource Development (MHRD), the Institution Innovation Council (IIC) at GGSD College, Sector 32, Chandigarh, is dedicated to fostering a vibrant culture of innovation, research, entrepreneurship, and critical thinking. The Council actively builds an ecosystem that encourages ideation, design thinking, intellectual property development, and start-up creation. Serving as a crucial link between the Ministry of Education's Innovation Cell (MIC) and the campus community, the IIC engages students and faculty through MIC-driven programmes, national innovation campaigns, and independently organized initiatives that strengthen entrepreneurial spirit.

To promote entrepreneurship through structured incubation, the College has set up a Technology Business Incubator (TBI) under the name and style "SDTBI." Strengthening its external collaborations, GGSD College has signed a Memorandum of Understanding (MoU) with the Atal Incubation Centre (AIC) at the Indian School of Business (ISB), Mohali, to support grassroots innovation and nurture entrepreneurial initiatives. Additionally, a strategic partnership with Innovation Mission Punjab has been established, focusing on three key pillars: the Pollinator to cultivate entrepreneurial mindsets, the Accelerator to scale start-ups globally through mentorship and market access, and the Innovation Fund to support early-stage entrepreneurs with critical funding. Through flagship events such as Open Bazaar, Idea Forge, and Ideathon, the IIC offers young innovators real-world opportunities to test their products, refine their ideas, interact with investors, and connect with industry experts. The Council also organizes boot camps, workshops, alumni mentoring sessions, and investor meetups, providing a comprehensive platform to transform ideas into viable start-ups aligned with the objectives of the Start-up India movement.

With continuous efforts to expand innovation spaces, including the Pre-Incubation and Incubation Centre modelled after Atal Tinkering Labs, the IIC at GGSD College has earned a prestigious 4-star rating from the Ministry of Education. This recognition reflects the College's unwavering commitment to excellence, adaptability, and empowering the next generation of innovators and entrepreneurs.

OUR COLLABORATIONS

INTERNAL QUALITY ASSURANCE CELL (IQAC)

In accordance with directives from the National Assessment and Accreditation Council (NAAC), the college has instituted an 'Internal Quality Assurance Cell' dedicated to the pursuit of quality enhancement and preservation. Functioning as a facilitative and participatory entity within the institution, the IQAC is primarily tasked with devising a framework aimed at ameliorating the institution's overall performance through the identification and rectification of deficiencies while concurrently elevating standards of quality.
