Former President Shri Sanatan Dharma Pratinidhi Sabha (Punjab)

PRESIDENT'S MESSAGE

If we go back in time and trace the growth of mankind through its greatest creative inventions and innovations, a beautiful conclusion reveals itself to us. What we consider our necessities today were once just thoughts in imaginative minds. The invention of Fire in Stone age and thereafter the use of Language, innovation of Money and invention of: Paper, Electricity, Airplane, Internet, Mobile Phones etc. were all results of one or the other man's or woman's revolutionary ideas. At S.D. College, we understand the importance of nurturing creativity and innovation alongside the solemn duty of imparting education. In the process of achieving degrees through academic knowledge, the students ought not to forget the real purpose of their endeavours i.e. to self-actualize or reach their creative potential and contribute to the world in unparalleled ways.

Just as seeds require fertile soils to grow, we provide the students with an environment that is conducive to novel ideas; where freedom of thought and expression are encouraged. Students' time in college has to ensure that above and beyond the earning of formal qualifications, they become skilful, enterprising and employable. The gulf between the practical requirements of professions, trades and employers and the theoretical learning imparted to students by educational institutions has to be bridged. We not only focus on making students - leaders, but also humanitarian visionaries; not just knowledgeable individuals but intellectual thinkers; not just intelligent beings but enlightened candidates. These little distinctions make all the difference and we recognize that.

I invite you all to join us in our endeavor to revolutionize higher learning and fulfill our exciting plans for the future. I wish the Principal, staff and students all the best for a glorious beginning and splendid times ahead.

Upkar Krishan Sharma
President
GGDSD College Society

FROM THE PRINCIPAL'S DESK

Choosing where to continue your education is a major decision and I believe that S.D. College will be a choice with no regrets, especially for students who are ambitious and determined to succeed. Bestowed with great passion for excellence and blessed with Sanatanist values, S.D. College, Chandigarh, has emerged as a world-class institution providing a platform full of opportunities to today's youth seeking higher education. Our college has been accredited with 'A+' grade by NAAC and accorded the status of 'A College with Potential for Excellence' by UGC. We are the first ever college of Panjab University to be selected under 'FIST Program 2010' of Dept. of Science and Technology, Govt. of India. Our college has been ranked 41st in All India Ranking 2017 by NIRF (The National Institutional Ranking Framework), MHRD. These accolades and awards speak volumes about our academic excellence and quality education.

With a student-centric environment in campus, we aim to nurture each student in order to ensure that his/her journey at S.D. College is fulfilling. With immaculate academic ambience, state-of-the-art infrastructure, futuristic facilities with pronounced emphasis on quality education and overall development of the personality, the college offers a variety of duly approved courses of Panjab University to students across all the vocational, professional, commercial and technical streams under the faculties of Commerce, Science, Information Technology and Humanities. At S.D. College, students are exposed to globally benchmarked set of pedagogies which impart holistic education through brainstorming sessions, diagnostic tests, bridge courses, seminars, guest lectures, power point presentations, case studies, workshops and educational excursions. The college offers various opportunities to our students for developing their talent and also promotes a culture of acceptance through day to day activities. Give yourself an edge by joining S.D. where enlightenment leads to empowerment. We look forward to having you on the campus and helping you shape your dreams and achieve your aspirations.

Good luck and wish you a promising career!

GGDSD: A SAGA OF EXCELLENCE

Late Dr. Pt. Mohan Lal Ji

Late Prof. R.L. Verma Ji

Late Mrs. Kaushaliya Devi Verma Ji

Excellence is never achieved in a day. Excellence has a preface-a preface, no less than a saga made up of extraordinary events, real life heroes and a foundation ornamented with valour, initiative, sacrifice and faith. A foundation, so deep rooted and concrete, which creates edifices emitting values, knowledge, thoughts to the society at large and a character to its inhabitants. That excellence is what Goswami Ganesh Dutta S.D College has achieved in its more than forty years of existence. The college is affiliated to Panjab University, Chandigarh.

Right from its very inception, the college was fortunate to have been led by eminent stalwarts. Inspired by the spirit of service and sacrifice, the institution was established on 3rd July, 1973 in the revered memory of Goswami Ganesh Dutta Ji, who envisioned Chandigarh as a focal point of culture and saw it as a potential hub for Sanatanist activities. His dream materialized under the dynamic leadership of late Pt. Mohan Lal Ji, former Education, Home and Finance Minister, Punjab, and other prominent educationists, lawyers and public men. With the efforts and collaboration of such profound workers, a first rate college was established, firmly grounded on the bricks of principles and values in its motto 'Firm in Faith and Broad in Mind'. The teething troubles of the institution were overcome by the 'karmayogi' Pt. Mohan Lal Ji, who, with his pragmatism, vision, administrative acumen and exceptional enthusiasm led the institution from the front.

Pandit Ji was joined in his untiring efforts by the luminary Prof. Roshan Lal Verma Ji, the founder principal of the college, who donated his entire life's savings in setting up this institution. Right alongside was his wife, Ms. Kaushaliya Devi Verma Ji, who too, selflessly bequeathed her entire property for the growth of the college. The assets that she donated to the institution were later used to form a trust which helps provide support to the women of the economically weaker sections by providing them excellent career oriented courses and training facilities absolutely free of cost.

These efforts by the founding stalwarts bore fruit and since then, the college has been imparting holistic education to the future torchbearers of the country. The Principals of the college have striven towards continuing with this saga of excellence that passed down as heritage from its founding stalwarts. Sh. D. N. Sharma served as a regular principal from 1975 to 1990. Then the torch of principalship was handed over to Sh. Umesh Chandra Sharma, who guided the college from July 1990 to July 1995. From 1995 to 2012, Dr. A.C. Vaid acted as the Principal of the College and under his laudable leadership, the college witnessed exceptional growth. On January 25, 2013, Dr. Bhushan Kumar Sharma took over as the Principal and is continuing the tradition of excellence with his able administrative acumen.

KAUSHALIYA DEVI VERMA CHARITABLE INSTITUTE

Mrs. Kaushaliya Devi Verma Charitable Institute for Women was set up on the college campus in the year 2000 to honour the fond memory of Late Smt Kaushaliya Devi Verma, wife of Prof Roshan Lal Verma, founder Principal of our college. Mrs. Verma was a noble and philanthropic lady who donated her entire life's savings to the college. The focus of the institute is to impart free vocational training to women from economically weaker sections of society. The institute conducts six-months and one year long courses in cutting and tailoring, embroidery including professional machine embroidery, cosmetology and beauty culture and computer training. The college offers a six months basic course and a one year diploma in cosmetology and beauty culture.

Till now, 82 batches with 943 trainees have successfully completed the course in stitching and embroidery under the guidance of Ms Bhupinder Kaur. As many as 745 trainees have successfully completed the course in cosmetology and beauty culture under the guidance of Ms Rinku Sinha.

Under the aegis of this Society, the following institutions have been established.

1. Goswami Ganesh Dutta S.D. College, Chandigarh was established in 1973.
2. Pt. Mohan Lal S.D. Public School, Chandigarh was founded in 1989.
3. Pt. Mohan Lal S.D. College for Women, Gurdaspur was set up in 1995.

OUR COLLABORATIONS

Eleven Years of Our Association with University of Fraser Valley, Canada

On November 10, 2016, University of the Fraser Valley (UFV), a top ranked Canadian university, completed eleven years of signing an MoU with S.D. College to run their BBA programme on the college campus. The day was marked by great celebrations.

Microsoft IT Academy Program

Our college is Member Microsoft IT Academy program and we are the first ever college in the region to be selected as a Member Microsoft IT Academy program. The world-class Microsoft IT Academy curriculum will help the students to obtain the hands-on skills and experience that they need to succeed in technology careers. The program offers classroom and online learning, Hands-On Labs, and access to hundreds of courses, books, cutting-edge resources, and collaboration tools. Most important, one can earn valuable Microsoft Certification.

MoU with NSE

A Memorandum of Understanding (MoU) was signed on September 27, 2011 between the National Stock Exchange (NSE) and the college for starting a new NSE Certified Capital Market Professional course. NSE was represented by Mr. T. Venkat Rao, Vice President Northern Region and Ms. Renu Arora, Manager NSE Delhi Office. The President of the College Governing Body, Mr. Upkar Krishan Sharma represented the college. This course is a new milestone in raising the employment prospects for the students. The course is designed to make the students competent in Securities Market. Students of any stream are eligible for this four month programme. The certificate of the course will be jointly awarded by the college and the NSE.

Institute of Company Secretaries of India:

The Department of Commerce & Management is providing faculty, infrastructure and administrative help to the local chapter of ICSI. It is organizing preparatory classes of Foundation, Inter and Final stages of ICSI exams. The local chapter of ICSI is also situated in the college.

RESEARCH PROFILE

The college faculty performs high quality research across a wide range of disciplines with strong commitment to excellence and concern for the needs of both local and global problems. Staff collaborates strongly, generating multidisciplinary and innovative research funding. Our research work is funded by various agencies including UGC, New Delhi; DST, Chandigarh; DST, New Delhi; SERB, New Delhi; DAE, New Delhi; ICSSR and HSCST Panchkula. In the previous academic session numerous research projects have been completed successfully. Our faculty has published more than 125 books and 418 research papers in Journals / proceedings of International and National reputes in last five years. The faculty members have acted as resource persons/presented their research papers in various international conferences, seminars in India and abroad. Besides this, college publishes a biannual research journal VANIJYA MANTHAN (ISSN No. 2350-0719). The college regularly invites faculty of reputed institutes to upgrade the research knowledge of our faculty and students.

The college has excellent research facilities in various departments with state-of-the-art laboratories. Besides this, many of faculty members of the college also offer research guidance to Ph.D and M.Phil students from different Universities. As many as 31 students are enrolled with our faculty for their Ph.D degree. Further our college has two research centres recognized by Panjab University, Chandigarh in the subjects of Biotechnology and Chemistry. Strong research base gives students access to a wide range of cutting edge expertise. The students of the college are encouraged to engage in healthy and meaningful research. In the final year of UG and PG programmes, students choose and carry out a research project linked to a major research area which can be laboratory, literature or computer based. The endeavor is to provide the students with invaluable experience about the intricacies of different facets of research work. While such initiatives provide the students with invaluable experience about research work; it also helps them in their professional and academic life.

COLLEGE LIBRARY

Library Facilities:

The state-of-the-art college library is well stocked containing a wealth of endless knowledge and information. The library subscribes to various international and national periodicals, journals, magazines, and newspapers. The library's collection includes books, periodicals, newspapers, maps, CDs, DVDs, e-journals, e-books, and databases. It contains numerous books pertaining to the course curriculum as well as general interest areas. The furnishings of the library also cater to promoting the academic knowledge which inculcates in the students and faculty the desire to learn more. From time to time, it conducts User Orientation Programmes to familiarize its new entrants with library services and facilities to improve the usage of library collections. Students can borrow books to carry home or for browsing within the library. The functions of the library are automated with integrated ERP software named TCSiON. OPAC (Online Public Access Catalogue) module is provided in the software for searching documents which are available in the library.

In addition, there is a special reference and science section on the first floor of the library, which is well equipped with books and journals of both national and international repute. Special reading carrels of the college library, on the first floor, provide a reader with his/her own private milieu where he/she can delve deep into the domain of learning without any hindrance and distraction from other readers. These carrels are so artistically and aesthetically done that they spur a reader to pull down a book to sit down to read.

Centralised Research Facility cum Digital library has 15 i5 computers for students and 10 i7 computers for staff for accessing e-resources, e-contents, CMIE Prowess Database, Statistical Softwares like Minitab and SPSS. 2 Pentium dual core computers with JAWS Screen Reading Software are reserved for differently-abled students. This section is equipped with 27 PCs connected to a dedicated 255 Mbps (1:1) leased line internet connection with firewall device to ensure speedy and secure internet surfing. The online resources subscribed to by the Library are accessible to the staff and students (using passwords) from anytime, anywhere.

Pt. Mohan Lal Digitization Centre of the library embraces new technologies to digitize special collections to support and enrich the educational, cultural and economic endeavors of

the college and communities. In this section, a special collection of hand written diaries, documents, books, photographs related to our college founder Pt. Mohan Lal Ji are kept in digitized form.

In the academic session 2016-17, new books and resources worth Rs. 5 lacs were added to the collection of the library. Students can give feedback through Online Feedback Form. Readers' Club of the library holds different activities throughout the year to promote the habit of quality reading among students.

Information Services like OPAC (Online Public Access Catalogue), Reprographic Service, ILL(Inter Library Loan), Internet Surfing, Current Content Alert, SMS Alert Services, Previous Year Question Papers Alert, Employment News and New Arrival Books are provided to the users of the library.

SPECIAL FACILITIES

The college has carved a niche for itself in the world of academia. With an aim to offer the best infrastructural facilities, the college adopts the latest trends in teaching methodologies and constantly keeps updating its systems. It is with this objective that the college has a number of labs and smart classrooms which are equipped with the facilities that help to disseminate education that meets the highest standards.

Communicative English Lab

The Communicative English Lab is equipped with the latest equipment including Mac and Windows computers. These computers are connected to the Campus Wide Network with its centre at the Department of Information Technology. These computers are equipped with Top-of-the-line software like Apple's Final Cut Pro, Quark Express, Clarity's Speech skills and Business Writing, Sky's Pronunciation Suite, Chroma Photo Pro and the Batch Water Mark. These are in addition to the conventional audio tapes produced by CIEFL, Hyderabad, Linguaphone Series and BBC Series.

Smart Class Rooms

To facilitate a modern teaching environment, the college provides Smart Class rooms equipped with the latest interactive technology like interactive meeting pads/boards, Bluetooth, digital visualizer, light touch pen, DLP multimedia kits and high resolution digital presenter UF-80 DX/ST. These classrooms create a professional environment and help the teachers in delivering the best quality education.

Research Facilities

With an objective to provide quality research in various streams such as Humanities, Commerce and Science, the college has set up state-of-the-art Research Labs. Further, close links are maintained with professional bodies to provide programs tailored to industry needs along with satisfying academic and vocational needs. Research infrastructure in the college includes Orbital Shaker, Cooling Centrifuge, Deep Freezer, Incubator, Laminar Air Flow, Oven, Autopipette, Microfuge, pH meter, Magnetic Stirrer, Cyclomixer, Fast Prep, Water Bath, Gel Doc, PCR and Electrophoresis, etc. The college has been awarded two research centers by Panjab University for conducting and envisioning research leading to Ph.D. in Chemistry and Bio-technology.

EXTENSION ACTIVITIES

Following the motto of 'Duty and Sacrifice', every associate of the college imbibes the Sanatanist values and spirit to the core and is encouraged to get involved in different spiritual and value based extension activities that are an integral component of all endeavours of the institution. The crucial needs and legitimate expectations of the community are given utmost importance and these factors are the guiding principles for organizing various extension activities like community development, health and hygiene awareness programmes, adult education and literacy programmes, AIDS awareness programmes, social work, medical camps, environment awareness and blood donation camps. These activities are organised vigorously by various clubs and

associations of the college, including Spirit India, NSS, NCC, Manav Dharam Kendra and M.K.D.V. Institute for Women, in collaboration with GOs and NGOs and help stimulate student participation in community based service. Another feature added to these initiatives is that students are encouraged to associate themselves with these activities and get involved in community service during the session.

NSS

The college runs two NSS units for men and women consisting of 100 volunteers each. The primary aim of the NSS is to inculcate social responsibility in the students through community service and to stimulate the participation of volunteers in constructive and extension work in slums and backward villages. They are encouraged to understand the problems faced by the inhabitants first hand

so that when they become community leaders, they may provide solutions to the ills faced by the poor. Students of all classes are eligible for enrolment in NSS. In order to successfully complete the NSS programme, each volunteer is required to put in 120 hours of work during one session. He/she also has to attend a Special Annual Camp. Enthusiastic volunteers are even selected for training in the special camps organised by the Directorate of NSS. By participating in such programmes, the students can reap different kinds of benefits too. Not only do they become socially responsible citizens, but are also awarded certificates which carry an additional weightage at the time of placements and admission to higher classes.

NCC

The college has been granted 2 NCC platoons comprising 52 cadets each. During each session, an NCC cadet has to attend 30 parades and 96 periods for the award of certificate. Like NSS, the NCC certificates also carry a similar weightage. In addition to these, if any student wishes to specialize or train himself for a career in the armed forces, it becomes mandatory for him to attend two camps during the three years of his stay in the college and participate in certain service attachments, as decided by the authorities. Cadets are also groomed for a regular commission in the army and paramilitary forces. Besides these, the cadets are also offered opportunities to participate in additional service training programmes like the Republic Day Parade at Delhi, Basic and Advanced Leadership camps, etc. As part of these training programmes, the cadets are provided a complete kit catering to all their needs. However, in case of loss or damage to these kits, they need to make good the loss.

Healthy Practices

Quality education has several dimensions like imparting domain specific knowledge, creating skills, practical use of knowledge of skills, overall development of the personality for greater creativity and productivity, raising the spiritual quotient of students and creating socially responsible citizens. Realizing these important dimensions of education, the institution has adopted several healthy practices for the attainment of these objectives. These include the following:

Manav Dharma Kendra

Manav Dharma Kendra has been a crucial part of the institution right from its inception. It aims to inculcate sound moral and ethical values amongst all the students of the college. It organizes activities and lectures during the entire academic session to elevate the spiritual quotient of the students, besides fostering ideals of a cosmopolitan outlook and universal brotherhood. All students are thus

encouraged to become enlightened and awakened citizens of the society.

Social Awareness & Concern

The institute helps to organise exhibitions and workshops for fund raising, medical awareness and adult education. Such participation makes students aware of significant contemporary social issues and thereby contributes to the social and national development positively. Other than numerous such camps and drives, the college also runs an organization of students and college alumni, ASHRA (Association of Students for Human Rights Awareness), which generates a strong sense of involvement and commitment in the students.

Outreach Programmes

The college aims at inculcating a deep sense of social concern amongst all its students. In order to extend a helping hand to the needy in our society and to ameliorate their condition, the college launches numerous outdoor camps which include eye check-up camps, dental check-up camps and blood testing camps in the slum areas, in and around Chandigarh. Students are encouraged to work with an NGO of their choice in each academic session. The college recognizes and celebrates such service rendered by the students and honours them in turn with Certificates of Distinction.

Participative Learning

Students are encouraged to organize different events that may be general in nature or specifically related to their subject. Such exercises help the students in applying the knowledge acquired in the classrooms, as they put to use their different sets of skills in the practical world. Every year the students of Journalism bring out an in-house newsletter "Expressions," through which they not only hone their writing and editing skills, but also gain first hand practical experience of page making and page

designing. The students are also encouraged to edit various publications of the college, including the college magazine "Tyagmurti." It is through such endeavours that the students gain actual hands on experience that holds them in good stead.

General Tutorial System

In order to inculcate spiritual, ethical, moral and Sanatanist values in the students and channelize their energies in a positive direction, the college runs an elaborate General Tutorial System. Under this system, a small group of students is placed under the personal guidance of a tutor who acts as a counsellor and moral guide to the students. The tutor also acts as a local guardian and the students are advised to remain in constant touch with him/her. General tutorial lectures are held once a month.

Value Addition

As a part of our continuous focus on the all round development of students, we constantly motivate and train them to enhance their potential market employability. The students are encouraged to take up professional courses like C.A. / C.S. / C.F.A. / Computer courses, etc. along with their regular courses.

Cultural Enlightenment

We organize numerous cultural fests and fairs throughout the session. We also celebrate all important festivals and days that are integral to our history and culture. The endeavour is to encourage the students to participate zealously in these celebrations and thereby acquaint themselves with the significance of these occasions. Some of the important days and festivals that we celebrate with full fervour in college include the Independence Day, the Republic Day, Janamashtami, Teej, Gurpurab, Diwali, Lohri, Basant Panchami, Baisakhi and Navratras, etc. We believe that such initiatives go a long way in sensitizing the students about the rich cultural heritage that India is endowed with.

STUDENT SUPPORT & PROGRESSION PROGRAMME

Counselling Cell

The college runs a very active Counselling Cell that continuously strives to cater to the various emotional needs of the students. Special counselling sessions are held with the students residing in hostels, to facilitate their adjustment and to cater to their special emotional needs. In addition to this, the cell also organizes regular life skill testing programmes in which the students are scientifically tested for their personality, life skills & capabilities on psychometric tests and measures. A detailed profile of each student is prepared and personalized counselling sessions are conducted absolutely free of cost.

Medical Facilities

The institute has two qualified medical officers. First-aid is available for the students in the medical room of the college. To meet any emergency, ambulance service is also available round the clock for the students from college/hostels to the hospital for timely treatment. If any student falls sick or suffers from any medical emergency during the college hours, every type of medical assistance is provided to him/her and all the expenses of the treatment are borne by the college. There is also a provision that the college would meet all the medical expenses of any hosteller, if he/she happens to be hospitalized during his/her stay in the college hostel. Other than these, there are periodical medical check-up camps that are conducted round the year, absolutely free of cost. There is 24x7 medical assistant in the hostel.

Accidental Coverage

All the students of the college have been covered under the accidental insurance scheme to the tune of Rs. 1,00,000/-.

The policy covers the following events:

1. Death
2. Loss of two limbs/two eyes/one limb, one eye
3. Loss of one limb/one eye
4. Permanent total disability from injuries
5. Permanent partial disability

In addition to the above, the policy will provide reimbursement of medical expenses, subject to a limit of Rs.500, incurred by any student for his/her treatment in a hospital/nursing home as in-patient, for any injury sustained in an accident during the session. These claims will be settled by the insurance company.

CULTURAL ACTIVITIES

We believe that all students possess some latent talent. All they need is a platform to discover their talent and hone their skills and artistic potential. To do so, the college offers a perfect platform to all its students. There are a number of inter and intra college activities and competitions that are organized the year round in which students get an opportunity to harness and showcase their talents.

Prize winners of P.U. Youth Fest get the certificates which carry an additional weightage at the time of placement and admission to higher classes.

Talent Search Contests

Talent Search Contests are held in the 3rd week of August every year. Notice for the date, time and venue of these competitions is displayed well in advance on the Notice Boards of the college. The students short-listed in these talent search contests represent the college in the very prestigious P.U. Zonal Youth and Heritage Festival and various other Inter-College competitions.

SPORTS

Sports are an integral part of any educational institute and our college too strives hard to offer a healthy and conducive environment to all its sports persons. Our institution gives due attention to this significant dimension of our students' overall development. In addition to various scholarships offered by the Sports Department of the Chandigarh Administration for different games, free boarding, lodging, sports kit facilities and cash awards are provided to the students engaged in various sports activities. Moreover, we have an excellent sports faculty in the college that works with dedication towards bringing out the best in their students. It is owing to the excellent training facilities that the college offers that we have produced various sports persons of international and national repute. Our students regularly represent India in various international and national sports tournaments and championships. As an incentive to the players who participate in university tournaments, national and international sports events, the college relaxes their conditions of attendance requirements.

The college teams participate in Panjab University Inter-college Tournaments / other tournaments in the following games:

Women: Chess, Fencing, Table Tennis, Boxing, Judo, Taekwondo, Athletics, Badminton, Net Ball, Basket Ball, Tennis, Swimming, Wrestling, Gatka, Softball, Squash, Shooting and Gymnastics, eSports, Sepak Takraw.

Men: Wrestling, Soft Ball, Baseball, Handball, Cricket, Ball Badminton, Best Physique, Judo, Basket Ball, Chess, Net Ball, Taekwondo, Badminton, Squash, Boxing, Yachting, Fencing, Shooting, Table Tennis, Kabaddi (N.S.P.S.) Swimming, Water polo, Athletics, Canoeing, Kayaking, Tennis, Rowing, Football, Archery, Gatka, Volleyball, Power lifting, Weight lifting, eSports, Sepak Takraw, Gymnastics and Kho-Kho.

PLACEMENT CELL

In order to facilitate the placement of the college students (from the general/vocational/professional streams) as well as the students of other colleges in the region, a very dynamic placement cell has been established on the campus. The cell works in close coordination with the student placement coordinators of various disciplines. Year after year, the placements at S.D. college keep getting better and better. The positions offered to the students of S.D. by leading global giants go out to prove the mettle of the students. In order to make students aware of current trends and thus prepare them for the market needs, extension lectures by professional consultants and experts from the corporate sector (reputed public and private organizations) are held regularly on the campus. Training sessions to guide students on how to tackle job interviews are conducted periodically. The cell also helps the students to prepare them for the competitive examinations and make students aware of the corporate culture and climate by arranging corporate internships / interactions in renowned institutions / companies / corporations. The placement cell corresponds with the prospective recruiters, arranges pre-placement talks and workshops and provides all the facilities required by the visiting companies. Over the previous few sessions, more than 90 reputed companies have visited the college campus for placements. Another high point is that Corporation Bank (A Govt. of India Enterprise), Catholic Syrian Bank, Federal Bank, South Indian Bank, HDFC Bank and Royal Bank of Scotland have enlisted our college for the recruitment of officers/cashiers etc. for their banks.

FREESHIPS AND SCHOLARSHIPS

The college provides scholarships and concessions to the deserving students of the institution. These efforts not only help and reward the deserving students, but also inculcate in them a drive to perform better. The meritorious and financially weak students are helped through these scholarships and concessions which amount to a tune of Rs. 25,00,000/-.

The book bank initiative, started by the college, aims at providing help to the deserving candidates. Scholarships are given to the top 10 position holders in End-Semester Examinations conducted by Panjab University. An application to the Principal duly verified by the Head of the Department at the time of admission is necessary for availing the scholarship. The institution with the assistance of Chandigarh Administration too provides half (tuition) fee concession to the students in case two children (brothers/sisters) of same parents are enrolled simultaneously in the college. Such siblings too should submit their application to the Principal at the time of admission. The institution with the assistance of Chandigarh Administration also provides (half) tuition fee concession to those students whose parents' annual income falls between Rs. 1,00,000 - to Rs. 2,00,000. For this concession, the student must submit an affidavit or salary certificate from the employer of his/her parents. In addition to this, economically weaker students can avail themselves of the concession by applying to the Principal through a written request for the waiver and/or the books at the time of admission.

Students may also apply for scholarship/fee-concession during the month of August when the notice will be displayed on the notice-board. Besides, the students can register themselves at **National Scholarship Portal** to avail scholarships under various schemes floated by State and Central Government from time to time. The college is duly registered at the National Scholarship Portal. They may also contact Dr. Nidhi Grover, convener of scholarship committee.

COLLEGE ALUMNI ASSOCIATION

Besides providing modern infrastructure facilities and offering a large number of courses, the repute and ranking of an institution is determined by the success of its major stakeholders i.e. students. The college enjoys a sense of accomplishment and motivation through its alumni. It is a matter of great pride for the institution to share a warm bond with its alumni who are spread all over the globe. Many of the alumni have tremendous accomplishments to their credit as they are placed at prominent positions in various prestigious professions.

It is due to the high academic standards offered and healthy educational practices followed at the college that the students are groomed to excel in their respective fields including public sector undertakings, corporate houses, judiciary, media, theatre, production houses, research and academic institutes and professional consultancies etc.

The S.D. alumni association (SDAAC) regularly organizes and participates in various college activities for the benefit of on-going batches and also generously contributes towards different social causes. The alumni of the college may register themselves online at www.ggdsd.ac.in and may visit SDAAC website: sdaac.in.

GENERAL RULES AND REGULATIONS

College Leave Rules

Leave can be applied online using student's ID by filling e-leave form in advance. In case of medical leave, a medical certificate must be uploaded/submitted along with the leave application. Leave will be granted by the Registrar. Students will get approval/rejection of leave as per college rules. Long leaves on account of medical reasons/marriage/ Ex-India leave supported by relevant documents will be granted only by the Registrar personally.

On the days when special functions are held, leave will be granted by the Principal. Leave sanctioned will not relax 75% attendance condition. In order to be eligible for P.U. semester examination, the students have to fulfill the attendance condition under any circumstances. All leaves including duty leave on account of sports/cultural/academic reasons should be got sanctioned in advance.

If a student remains absent without leave continuously for six days, his/her name will be struck off the college rolls. There will be only two chances of re-admission.

First time student can get re-admission himself/ herself.

Second time the student will have to come with parents for re-admission.

For a leave of more than six days, the student or his relative should meet the Registrar personally with the hard copy of application & relevant documents before availing the leave. No leave will be accepted in back-date.

Identity Cum Library Smart Card

Each student is issued an Identity cum Library Smart Card bearing his photograph, name and roll number. All students are required to carry their Identity Cards with them while on the campus. The defaulters will be fined heavily. If the Identity Card is lost, a duplicate card can be issued on payment of Rs. 100/-.

The Identity Card has to be deposited back at the end of the session. Defaulters will not be issued their No Dues Certificate / Detailed Marks Card / Character Certificate / Degree, etc. in case they fail to do so.

Girl Students

Special attention is paid to the general welfare and security of girls. Separate facilities like a Common Room for girls and separate tables in the college library have been provided, so as to help them feel comfortable. Arrangements also exist for providing adequate facilities for girls who want to take part in any kind of sports and extra-curricular activities. Other than these, the girl students can also avail themselves of the special facilities provided by the Counselling Cell in case of emergency.

COLLEGE CODE OF CONDUCT

The students of the college are required to observe the following code of conduct both within and outside the college:

- Maintain discipline and decorum. Ragging is strictly banned in the college as well as in the hostels. A student found guilty of this crime may be punished heavily. It may lead to expulsion from the institution.
- Use of mobile phones in the class rooms and library is strictly prohibited.
- Sitting on the railings in the college campus is not allowed.
- Smoking is strictly forbidden both inside and outside the college campus, hostels and canteens etc.
- Perfect silence should be maintained in the classroom, the library and the corridors of the college, so that the atmosphere in the college remains perfectly congenial to studies.
- Show proper respect to the teachers and carry out their instructions most faithfully.
- Girl students are expected to conduct themselves with dignity, modesty and simplicity. The girl students should wear sober dresses.
- Bring the identity card daily and produce it, if any member of the staff or official of the college demands it at any time. Identity card may be checked at the entry gate of the college and those without it, will not be allowed to enter.
- Abide by all rules, regulations and instructions issued by the college from time to time.
- Inculcate high moral values of life such as truth, honesty and devotion to duty.
- Students must make the best use of time and spend it in creative and constructive activities for their own betterment and that of the nation, rather than wasting it away by hanging out casually in the college or indulging in futile exercises.
- Students should be punctual in attending their classes, functions and fulfilling the appointments.
- Exhibit fine manners and excellent behaviour, use decent language, be courteous and polite in dealing with fellow students and college staff, as this would add to your own credit as also to that of your Alma-Mater.
- Observe proper decorum in and outside the classroom and at the functions organized in the college. Students should respect their parents and elders from the core of their hearts.
- Attendance of students at seminar(s) conference(s) organised for them will be compulsory. The attendance will be counted towards total attendance.
- Students should endeavour to keep the environment neat, clean and beautiful at home and at college by using the dustbins and by avoiding littering.
- Quarrels and disputes should be avoided. In the event of a dispute, a written complaint should be made to the Principal at once. No one is allowed to take the law in his/her own hands.
- Students should understand that the college property is a national trust and as such its upkeep is as much their responsibility as that of the administration. Therefore, no one should disfigure furniture or deface walls with pencil, chalk or knife marks. Damage to the college property will not be condoned under any circumstances.
- Students are required not to remove chairs/furniture from any room.
- Students must keep their vehicles at the parking place. Plying of vehicles at the college campus is not allowed.
- Utilize free period in reading books, magazines and newspapers available in the library.
- Students must make it a point to see the Notice Board and read the latest notices. Ignorance of orders duly displayed on the Notice Board shall not be accepted as an excuse for non-compliance.
- A student will be punished, rusticated or expelled from the college, if he/she directly or indirectly takes part or induces others to do so in any movement, agitation or strike in the college for any reason, whatsoever, which, in the opinion of the Principal is subversive of the college discipline.

AUTOMATION

The college has signed an MoU with Tata Consultancy Services, which enables full automation of all administrative as well as academic transactions. There are two product solutions encapsulated within this contract:-

1. DIGITAL CAMPUS: Commonly known as Campus Management System (CMS), it empowers the College to carry out all the teaching and administrative activities in easy and transparent manner. This portal organizes students' information from admission to declaration of examination results. The college has developed an online system with help of TCS through which a candidate is required to fill online e-form, the link for which is available on the college Website www.ggdsd.ac.in It includes Seat allocation, Batch allocation and Student enrolment, Hostel occupancy, Attendance and Mid-Semester and Final Exam marks. Students can view their personal profiles, time tables, faculty allotments, fee due, attendance and result through their own login IDs. They can also pay fee through fee bizapp and apply leave online through Self service/mtop (mobile app). Faculty management (HRMS) is also part of this system enabling faculty to mark attendance, apply leave, enter marks, etc. within the system itself. There are two other modules called FnA(Finance and accounting) and PnI (Procurement and inventory) which help to reduce load on administrative staff and helps to gain transparency in the system.

2. DIGITAL LEARNING: Digital learning helps the faculty to enroll students into various communities and courses. This enables the students to view and attempt assessments and assignments online. Faculty and students can upload and share relevant content, videos, and text. Faculty can plan their courses and their teaching methodologies. This is a tool which automatically creates a database/library for the students and the faculty.
