About The College

GGDSD: A SAGA OF EXCELLENCE

Excellence is never achieved in a day. Excellence has a preface- a preface, no less than a saga made up of extraordinary events, real life heroes and a foundation ornamented with valour, initiative, sacrifice and faith. A foundation, so deep-rooted and concrete, which creates edifices emitting values,

Late Dr. Pt. Mohan Lal Ji   Late Prof. R.L. Verma Ji   Late Mrs. Kaushaliya Devi Verma Ji

knowledge, thoughts to the society at large and a character to its inhabitants. That excellence is what Goswami Ganesh Dutta S.D. College has achieved in its more than forty five years of existence. The college is affiliated to Panjab University, Chandigarh.

Right from its very inception, the college was fortunate to have been led by eminent personalities. Inspired by the spirit of service and sacrifice, the institution was established on 3rd July, 1973 in the revered memory of Goswami Ganesh Dutta Ji, who envisioned Chandigarh as a focal point of culture and saw it as a potential hub for Sanatanist activities. His dream materialized under the dynamic leadership of late Pt. Mohan Lal Ji, former Education, Home and Finance Minister, Punjab, and other prominent educationists, lawyers and public men. With the efforts and collaboration of such profound workers, a first rate college was established, firmly grounded on the bricks of principles and values in its motto 'Firm in Faith and Broad in Mind'. The teething troubles of the institution were overcome by the 'karmayogi' Pt. Mohan Lal Ji, who, with his pragmatism, vision, administrative acumen and exceptional enthusiasm led the institution from the front.

Pandit Ji was joined in his untiring efforts by the luminary Prof. Roshan Lal Verma Ji, the founder principal of the college, who donated his entire life's savings in setting up this institution. Right alongside was his wife, Mrs. Kaushaliya Devi Verma Ji, who too, selflessly bequeathed her entire property for the growth of the college. The assets that she donated to the institute were later used to form a trust which helps provide support to the women of the economically weaker sections by offering them excellent career oriented courses and training facilities absolutely free of cost.

These efforts by the founding team bore fruit and since then, the college has been imparting holistic education to the future torchbearers of the country. The Principals of the college have striven towards continuing with this saga of excellence that passed down as heritage from its founding stalwarts. The college witnessed exceptional growth under the laudable leadership of its Principals - Prof. Roshan Lal Verma, Sh. D.N. Sharma, Sh Umesh Chandra Sharma, Dr. A.C. Vaid, Mrs. Meena Prabhakar and Dr. Bhushan K. Sharma. On July 2, 2019, Dr. Balraj Thapar took charge as the officiating Principal of the college and is continuing the tradition of excellence with his able administrative acumen.

Each student would earn a Certificate, a Diploma, an Advanced Diploma after the successful completion of first year, second year and third year respectively. A special feature of this system is the flexibility that it offers. The students have the complete freedom to diversify their field of education, and the courses that they opt for, which need not even necessarily be related to their core discipline. The college offers as many as 14 'Add on' courses. Furthermore, it is required that the student should opt for that 'Add On' course, which he/she has not opted as an elective subject.

AUTOMATION THROUGH TCS iON

The college has signed an MoU with Tata Consultancy Services, which enables complete automation of all administrative as well as academic transactions. There are two product solutions encapsulated within this contract:-

Digital Campus : The Campus Management System (CMS)

The Campus Management System (CMS) empowers the college to carry out all the teaching and administrative activities in an easy and transparent manner. This portal organizes students' information from admission to declaration of examination results. The college has developed an *online system with the help of TCS iON* through which a candidate is required to fill online e-form, the link for which is available on the college website www.ggdsd.ac.in. It includes seat allocation, batch allocation and student enrolment, hostel occupancy, attendance, mid-semester tests and final exam marks.

Students can view their personal profiles, time-tables, faculty allotments, due fees, attendance and result through their own Login IDs. They can also pay fee through fee bizapp and apply leave online through self service/mtop (mobile app). Faculty management (HRMS) is also part of this system enabling faculty to mark attendance, apply leave, enter marks, etc. within the system itself. There are two other modules called FnA(Finance and Accounting) and PnI (Procurement and Inventory) which helps to reduce load on administrative staff and helps to gain transparency in the system.

Digital Learning : Online Teaching through Learning Exchange (LX) System

Digital learning with the LX Module of TCS iON provides a platform to the faculty to enroll students into various batches and courses. The faculty can plan their teaching methodologies and can upload/share slide presentations, audio/video lectures, web links of study material, explanatory text files and assignments to facilitate online learning for the students. This enables the student to view lectures and attempt assignments online.

The college promotes *digital teaching and learning by conducting online sessions*, in parallel to the classes in the campus. EXTENSION ACTIVITIES

Following the motto of 'Duty and Sacrifice', every associate of the college imbibes the Sanatanist values and spirit to the core and is encouraged to get involved in different spiritual and value based extension activities that are an integral component of all endeavours of the institution. The crucial needs and legitimate expectations of the community are given utmost importance and these factors are the guiding principles for organizing various extension activities like community development, health and hygiene awareness programmes, adult education and literacy programmes, AIDS awareness programmes, social work, medical camps, environment awareness and blood donation camps. These activities are organised vigorously by various clubs and associations of the college, including Spirit India, NSS, NCC, Manav Dharam Kendra and M.K.D.V. Institute for Women, in collaboration with GOs and NGOs and help stimulate student participation in community based service. Another feature added to these initiatives is that students are encouraged to associate themselves with these activities and get involved in community service during the session.

NSS

The college runs two NSS units for men and women consisting of 100 volunteers each. The primary aim of the NSS is to inculcate social responsibility in the students through community service and to stimulate the participation of volunteers in constructive and extension work in slums and backward villages. They are encouraged to understand the problems faced by the inhabitants on the first hand so that when they become community leaders, they may provide solutions to the ills faced by the poor. Students of all classes are eligible for enrolment in NSS. In order to successfully complete the NSS programme, each volunteer is required to put in 120 hours of work during one session.

Throughout the year volunteers participate in various activities like Fit India Movement, International Yoga Day,Unity Day, SwachhtaPakhwadas, International Youth Day, Unnat Bharat Abhiyan, Cultural Exchange Programmeunder Ek Bharat Shrestha Bharat, Covid 19 pandemic warriors, etc.

The volunteer also has to attend a Special Annual Camp. Enthusiastic volunteers are even selected for training in the special camps organised by the Directorate of NSS. By participating in such programmes, the students can reap different kinds of benefits too as not only do they become socially responsible citizens, but are also awarded certificates which carry an additional weightage at the time of placements and admission to higher classes.

Extra Curricular Activities

NCC

The NCC of the college comprises 2 NCC platoons comprising 70 cadets each. During each session a NCC cadet has to attend 32 parades and 96 periods for the award of certificate. The NCC certificates carries weightage at the times of admission to higher classes and also gives the chance to join the Armed Forces directly for interview without appearing for any exam. If any student wishes to join the NCC, he can join on the time of commencement of the academic session. The student should have to be good in physical standards and should be good in general knowledge. To get the certificate, it becomes compulsory for a cadet to attend two camps during the three years of stay in college and participate in certain services attachment, as decided by the authorities. As a part of this organization, cadets are groomed for joining the armed forces as the commissioned officers. Besides all this, cadets are also offered the opportunities to participate in additional service training programs like Republic Day Parade at Delhi, Thal Sainik Camp, Basic and Advanced Leadership Camp etc.

Healthy Practices

Quality education has several dimensions like imparting domain specific knowledge, creating skills, practical use of knowledge of skills, overall development of the personality for greater creativity and productivity, raising the spiritual quotient of students and creating socially responsible citizens. Realizing these important dimensions of education, the institution has adopted several healthy practices for the attainment of these objectives. These include the following:

Manav Dharma Kendra

Manav Dharma Kendra has been a crucial part of the institution right from its inception. It aims to inculcate sound moral and ethical values amongst all the students of the college. It organizes activities and lectures during the entire academic session to elevate the spiritual quotient of the students, besides fostering ideals of a cosmopolitan outlook and universal brotherhood. All students are thus encouraged to become enlightened and awakened citizens of the society.

Social Awareness & Concern

The institute helps to organise exhibitions and workshops for fund raising, medical awareness and adult education. Such participation makes students aware of significant contemporary social issues and thereby contributes to the social and national development positively. Other than numerous such camps and drives, the college also runs an organization of students and college alumni, ASHRA (Association of Students for Human

Extra Curricular Activities

Rights Awareness), which generates a strong sense of involvement and commitment in the students.

Outreach Programmes

The college aims at inculcating a deep sense of social concern amongst all its students. In order to extend a helping hand to the needy in our society and to ameliorate their condition, the college launches numerous outdoor camps which include eye check-up camps, dental check-up camps and blood testing camps in the slum areas, in and around Chandigarh. Students are encouraged to work with an NGO of their choice in each academic session. The college recognizes and celebrates such service rendered by the students and honours them in turn with Certificates of Distinction.

Participative Learning

Students are encouraged to organize different events that may be general in nature or specifically related to their subject. Such exercises help the students in applying the knowledge acquired in the classrooms, as they put to use their different sets of skills in the practical world. Every year the students of Journalism bring out an in-house newsletter "Expressions," through which they not only hone their writing and editing skills, but also gain first hand practical experience of page making and page designing. The students are also encouraged to edit various publications of the college, including the college magazine 'Tyagmurti.' It is through such endeavours that the students gain actual hands on experience that holds them in good stead.

General Tutorial System

In order to inculcate spiritual, ethical, moral and Sanatanist values in the students and channelize their energies in a positive direction, the college runs an elaborate General Tutorial System. Under this system, a small group of students is placed under the personal guidance of a tutor who acts as a counsellor and moral guide to the students. The tutor also acts as a local guardian and the students are advised to remain in constant touch

Cultural Activities

We believe that all students possess some latent talent. All they need is a platform to discover their talent and hone their skills and artistic potential. To do so, the college offers a perfect platform to all its students. There are a number of inter and intra college activities and competitions that are organized the year round in which students get an opportunity to harness and showcase their talents.

Prize winners of P.U. Youth Fest get the certificates which carry an additional weightage at the time of placement and admission to higher classes.

Talent Search Contests

Talent Search Contests are held every year in the college. Notice for the date, time and venue of these competitions is displayed well in advance on the notice boards of the college. The students short-listed in these talent search contests represent the college in the very prestigious P.U. Zonal Youth and Heritage Festival and various other Inter-College Competitions.
