before his tragic demise on July 14, 2022*

Sh. Upkar Krishan Sharma
(1941 - 2022)

GGDSD College, Chandigarh has always maintained a tradition of excellence in all spheres. The high cut-off percentages for admission to all our courses is a testimony to the popularity and respect that the institution has earned for itself.

I have seen the college build from strength to strength, nurtured by the dedicated work put in by our founders and the succeeding principals, faculty and members of the college management. My father, late Pt. Mohan Lal Ji, former Education, Home and Finance Minister, Punjab, envisioned a college that imparted holistic education at par with the finest educational institutions of the world. His leadership placed us firmly on the path to progress and the dream soon became a reality.

The college today features among top institutions in all national rankings. It has been awarded A+ grade by NAAC.

I am confident that your time here will be educative and fruitful, and you will emerge as articulate, learned individuals ready to take your rightful place in the world.

GGDSD College, Chandigarh is a dynamic centre of learning that encourages its students to come forth with new ideas and initiatives.

Driven by this philosophy, our students and alumni have achieved immense success in diverse fields ranging from management, judiciary, finance and bureaucracy to theatre, journalism, research, and sports.

We strive to instill discipline and a passion for knowledge amongst our students. Through collaborations with the likes of the National Stock Exchange (NSE) and University of the Fraser Valley, Canada, we open many doors for them.

The Incubation Centre established in the college under the MHRD, the research centres and academia-industry interactions organised for the students sharpen their intellect and prepare them for later challenges.

The college NGO, Sanatan Dharma Aadarsh Foundation and the Green Campus Committee work to promote a sense of social responsibility amongst the students.

All in all, the college offers a holistic approach to education.

I invite you all to participate in this unique learning experience.
